

Alert Regarding Sabre Data Incident

The Peninsula Hotels recently learned that Sabre Hospitality Solutions, a global reservations vendor, suffered a data incident that may have impacted certain hotel reservations. Sabre's central reservation system enables a large number of travel agencies, online travel agencies, and other online booking services to make hotel reservations including The Peninsula Hotels. Sabre does not provide online reservation or booking services for reservations made on www.peninsula.com, with our Global Customer Reservations Centre, or made directly with any of the ten Peninsula Hotels.

If you used a travel agent, online travel agency, or other online booking service to book a stay at any of the following hotels **between November 4, 2016 and March 9, 2017**:

- The Peninsula Hong Kong
- The Peninsula Shanghai
- The Peninsula Beijing
- The Peninsula Tokyo
- The Peninsula New York
- The Peninsula Chicago
- The Peninsula Beverly Hills
- The Peninsula Paris
- The Peninsula Bangkok
- The Peninsula Manila

Please visit the following site www.sabreconsumernotice.com for more information regarding the Sabre data incident or call US toll-free 1-800-892-1401 (or 1-503-597-7718, for international callers outside of the United States). Reservations made on www.peninsula.com, through our Global Customer Reservations Centre, or made directly with any Peninsula hotel were not impacted by the Sabre data incident, nor were any of the Peninsula hotels' own systems affected.

As always, The Peninsula Hotels values its relationships with its guests and takes very seriously the security and privacy of their information.
